

§ 641.670

§ 641.670 May an eligible individual be enrolled simultaneously in section 502(e) private sector training activities operated by one grantee and a community service SCSEP project operated by a different SCSEP grantee?

Yes, an eligible individual must be enrolled simultaneously in section 502(e) private sector training activities and a community service SCSEP project, operated by two different SCSEP grantees. This is known as co-enrollment.

§ 641.680 How should grantees report on participants who are co-enrolled?

Referrals from a regular SCSEP grantee to a 502(e) only grantee that result in an unsubsidized placement may also be credited to the referring SCSEP grantee. However, if the SCSEP grantee is also a 502(e) grantee, the unsubsidized placement of the participant may only be counted once. The Department will issue administrative guidance on additional requirements.

§ 641.690 How is the performance of section 502(e) grantees measured?

(a) The following performance measures apply to section 502(e) grantees. The common performance measures that apply to this program are:

- (1) Entered employment;
- (2) Retention in employment; and
- (3) Earnings.

(b) These measures are defined in and governed by subpart G of this part and the applicable provisions of administrative issuances implementing the SCSEP performance standards.

(c) If a section 502(e) grantee fails to meet its performance standards, the Department may require corrective action, may provide technical assistance, or may decline to fund the grantee in the next Program Year.
